would recommend an apprenticeship to others

WHY CHOOSE US

We want you to have the ultimate experience that will provide you with the first step towards your chosen career, or upskilling to progress in your current job. Not only that, we want to help you make friends, boost your confidence and realise your full potential.

			
Good is what we are rated by Ofsted	Wide range of apprenticeship vacancies to choose from	2,500 employers work with us across Greater Manchester and beyond	Guaranteed places available
50			
Proud to be rated as a top 50 Training Provider*	We are an Academic Centre of the University of Bolton	Green Skills Academy	Dedicated Support teams in all our centres

* From RateMyApprenticeship Awards

Your place is guaranteed

Have peace of mind that your place is secure with our guaranteed places*. Each year, we give hundreds of school and college leavers guaranteed offers for when they finish full-time education. This means no more worrying about your next steps.

Low grades? No problem!

We understand that you don't always get the grades you hope for - so our focus is on you, not what your results say. However well you perform in your GCSEs or A-Levels, we'll help you find the right course for you.

Proud to be part of the Growth Company

As part of a not-for-profit organisation that delivers £60m of skills, employment and recruitment services, we're in a great position to put your needs, and career first. Any money that we make is reinvested into helping people like you to achieve their goals.

*Guaranteed offers are subject to the individual achieving any agreed qualifications and attending all appropriate job preparation workshops.

WHAT WE CAN OFFER YOU

Apprenticeships

Whatever industry you're looking to work in, apprenticeships will give you real experience that will help you to go far in your career. Best of all, an apprenticeship is a real job that pays a wage - so you'll be earning while you learn.

Pre-Apprenticeships and Study Programmes

Aged 16 to 18? If you want to progress onto an apprenticeship but don't feel quite ready, then a Pre-Apprenticeship (Study Programme) could be the ideal option for you - you'll gain hands-on experience that employers are looking for.

We have Training Centres across Greater Manchester and St Helens that offer an alternative route to college after you leave school.

Subject areas at a glance

- Accountancy
- Automotive (Trafford Park only)
- Business Administration
- Bricklaying
- Childcare
- Construction (in Tameside, Rochdale and Trafford Park only)
- Customer Service and Retail

- Fenestration
- Functional Skills in English and Maths
- GCSEs in English and Maths
- Hairdressing Longsight and Tameside Training Centre only)
- Health & Social Care
- IT & Digital
- Marketing
- Work experience in an area of your choice

SUPPORTING YOUR FUTURE CAREER PATH

SKILLS SUPPORT FOR GROWTH

If you are aged 15-24 year and not in education, employment, or training we can help get you on the right path to kickstart your future. The Skills Support for Growth programme will help you achieve vocational skills, boost your confidence and provide work experience opportunities to help prepare you for the world of work.

TRAINEESHIPS

Traineeships are designed to prepare you for progression on to an apprenticeship or employment. You will develop the valuable skills that employers are looking for. Traineeships combine work experience and study which will help develop your employability skills, such as CV writing and interview preparation.

PRE-APPRENTICESHIPS (STUDY PROGRAMMES)

If you are aged 16-18 and want to progress onto an Apprenticeship but don't feel quite ready, then a Pre-Apprenticeship (Study Programme) could be the ideal option for you - you'll gain hands-on experience that employers are looking for. and you'll get a head start in your chosen industry building on your existing skills.

APPRENTICESHIPS

Earn while you learn with an apprenticeship! Whether you're just starting out, upskilling, or looking for a career change - there's an apprenticeship for you. You will gain hands-on experience working with an employer in your chosen sector. We have a wide range of apprenticeships with various levels available – kick start your future with us.

DEGREES

We are proud to be an Academic Centre of the University of Bolton and offer a range of affordable part-time and full-time courses including Access to Higher Education and a range of degree courses including Business Management and Education & Learning. Every student gets the support they deserve with our expert tutors and smaller class sizes right in the heart of Manchester.

APPRENTICESHIPS

Why choose an apprenticeship?

One of the best things about apprenticeships is that you get the practical experience that employers value, and the chance to earn a salary whilst doing so.

What is an apprenticeship?

An apprenticeship is a real job within a company, lasting for at least one year. You'll spend the vast majority of your time learning the skills you need to succeed in the role and develop in your career long after your apprenticeship is finished. You'll work as part of a team, and will report to a supervisor or manager.

Our apprenticeship vacancies cover a range of sectors and industries, and wages depending on the role and company.

How much will I earn?

This very much depends on the level of apprenticeship that you're looking for, with higher level programmes naturally paying a higher salary. There are also salary variations between industries.

However, as an apprentice you will earn a minimum of **£4.81*** per hour if you are aged 16-18 or if you are 19 or over and in your first year of an apprenticeship. If you are aged 19 and over and have completed your first year you will receive the National Minimum Wage or National Living Wage for your age.

What levels are available?

Check out our levels below. Whatever stage you're at, there'll be something to suit you. The right level of apprenticeship will depend on your existing qualifications and the type of job that you're going for - but don't worry, we can help you to figure that out.

*Subject to change - correct at time of print

HOW YOU WILL LEARN

Whichever apprenticeship you choose, we want to make sure you're not only getting the most out of your time with us, but that you are ready to achieve your future goals. Take a look at how we help you get career ready.

ACCESS TO HIGHER EDUCATION AND DEGREE LEVEL COURSES

If you're looking for an alternative to university with cheaper fees and smaller class sizes, then our degree courses are the perfect alternative. Smaller class sizes ensure that you will receive the support you deserve. No matter what qualifications you have, you still have the opportunity to gain a degree-level qualification with us.

You'll be taught by highly skilled and experienced tutors, who will be with you every step of the way - from enrolment right through to graduation.

You'll have the freedom to work and study your way. You'll be given access to our own in-house e-learning platform, online course materials and additional support modules, so you have flexibility to complete the programme around your lifestyle.

Apply today for one of our higher education programmes:

- BA (Hons) Business Management
- BA (Hons) Education and Learning
- Foundation Degree in Healthcare Studies
- BSc (Hons) Health and Social Care (Top up)
- Foundation Degree in Early Years Childhood Studies
- BA (Hons) Professional Development in Early Years (Top up)
- BA (Hons) Professional Development in Education (Top up)
- Certificate in Education 14+
- Professional Graduate Certificate in Education (PGCE 14+)

All our higher education courses are accredited by the University of Bolton.

ADULT COURSES

At GC Education and Skills, we offer a wide range of adult and professional courses to help you enhance your skills, improve your job prospects and increase your confidence. Whether you are looking to progress in your current role, have been impacted by redundancy, or you are looking for a career change, we can help.

Access to Higher Education

Our Access to HE courses are for people who are wishing to return to education, looking for a career change or don't have the required qualifications to be accepted on to a university course.

Construction, Engineering and Manufacturing

We offer a wide range of courses with start dates throughout the year. You will be supported by expert tutors who are industry trained.

Education

If you have a passion for transforming lives through education, take a look at our range of courses to help you get your career started.

Skills Bootcamps

Skills Bootcamps are flexible courses of up to 16 weeks, giving people the opportunity to build up sector-specific skills and fast-track to a guaranteed interview with a local employer.

Online learning

We also offer a range of fully funded online training courses to help you enhance your skills, improve your job prospects and increase your confidence.

Scan here to view of adult courses.

SUPPORTING YOU EVERY STEP OF THE WAY

If you have specific learning requirements such as dyslexia, dyscalculia, autism, dyspraxia - or anything else - then getting advice and help from us is easy. After all, nothing should hold you back from achieving your dreams.

Learner Support

We have a dedicated Learning Support team that supports our learners, enabling them to achieve.

As part of our comprehensive support for learners that require additional learning support, we can offer:

- Assistive technology
- Exam concessions
- Signposting to other areas of support or agencies if needed
- Individual education plans to support their learning style
- Reasonable adjustments
- Access Arrangements in exams, for example, arranging extra time or a reader
- A learning mentor who will provide additional support in lessons and 1-2-1 meetings

We are there for you

We understand that life can be complicated, and that you might be experiencing a range of worries and challenges in your personal life. Perhaps you're in foster care, or are a carer for a family member? Are you struggling with your mental health, or concerned about becoming homeless? Whatever's on your mind, just let us know and we will be able to help.

* £10 admin charge

Our Pass

Aged 16-18? Our Pass is a new, free bus pass* that gives you the freedom to travel around Greater Manchester. Whether you're off to your apprenticeship or meeting up with friends, the pass will help you to save money on travel expenses. You can get yours at ourpass.co.uk, but if you need help with placing your order, just let us know.

GREEN SKILLS ACADEMY

The Growth Company, Education & Skills is launching the **Green Skills Academy** to upskill individuals in emerging green technologies. The specialist training centre will house the latest green technology equipment for people to gain the knowledge and skills which will place the North of England at the forefront of emerging technologies.

The centre, located in Trafford Park, will welcome apprentices, employers, engineers and business partners to the academy.

The industries the academy will focus on are:

**Electrical
Vehicles**

**Wind
Technology**

**Solar
Energy**

**Electrical
Technology**

**Renewable
Heat
Sources**

Develop the skills to install and maintain new green technologies.

Visit our website by scanning the QR code to view all our courses and apprenticeships. Play a vital role in the fight against climate change.

#EducateToInnovate

COURSES FOR YOUNG PEOPLE

If you are aged 16 - 18 we understand taking the first steps after school can be challenging. That's why we have unique programmes and support teams in our centres based in local communities, near to where you live.

Our tailored programmes are delivered across ten centres in Greater Manchester and St Helens. They are designed around your needs and when you join us, your programme will likely include:

- A nationally recognised qualification
- English and maths skills and qualifications
- Work experience
- Employability skills
- Enrichment activities
- Tailored individual learning plan to suit your needs

Guidance and Support

- Smaller class sizes
- One-to-one support from a designated key worker
- Additional learning support
- Bursary of up to £50 per week (subject to certain eligibility criteria)
- Breakfast club for all learners
- Free hot drinks and kitchen facilities for use throughout the day
- Experienced staff who understand and can support additional learning needs
- You can talk to us at any time about whatever might be troubling you

We're here to give you the best experience we can, supporting both your education and any areas of personal development you might need.

OUR OFFER

Your Study Programme will be tailored to meet your needs and will include one of the below vocational qualifications plus a combination of qualifications which can include Essential Digital Skills, Employability Skills, Health and Safety and Maths and English (if needed). You will also be given the opportunity to complete a work placement/work experience whilst studying with us.

PROGRAMME	WHAT'S INVOLVED?
Preparing to Work in Schools - Level 1	This qualification will prepare you for further learning and training whilst developing an understanding of the teaching and learning environment in a school setting. It covers areas such as how to support the well-being of a child or young person and child and young person development.
Working in the Health, Adult and Childcare Sector - Level 1	This qualification will support you on your first experience of working within the health, adult care and childcare sectors.
Customer Service - Level 2	If you are great with people, then customer service could be the career pathway for you. Customer service positions are available in a wide range of sectors.
Essential Digital Skills - Entry 3 to Level 2	This qualification aims to allow learners to demonstrate their understanding and competency in the essential digital skills they need for life and work. It will enable learners to engage with digital services and products in everyday life and work.
