The
Growth
Company

If you are aged 16 - 18 we understand taking the first steps after school can be challenging. That's why we have unique programmes and support teams in our centres based in local communities, near to where you live.

Our tailored programmes are delivered across eight centres in Greater Manchester and St Helens. They are designed around your needs and when you join us, your programme will likely include:

- A nationally recognised qualification
- English and Maths skills and qualifications
- Work experience
- Employability skills
- Enrichment activities
- Tailored individual learning plan to suit your needs

Guidance and support available to you

- Smaller class sizes
- One-to-one support from a designated key worker
- Additional learning support
- Bursary of up to £50 per week (subject to certain eligibility criteria)
- Breakfast club for all learners
- Free hot drinks and kitchen facilities for use throughout the day
- Experienced staff who understand and can support additional learning needs
- Our students can talk to us at any time about whatever might be troubling them

We're here to give you the best experience we can, supporting both your education and any areas of personal development you might need.

TAMESIDE

Training Centre

“I love it here, the staff are so supportive. My aim is to go to university and train to become a midwife.”

Louise

OUR OFFER

PROGRAMME	WHAT'S INVOLVED?
Public Services – Level 1	This course covers a range of topics that are important within public services including crime and the impact on communities, skills and behaviour whilst in employment, sports, fitness and recreational activities and responding to incidents.
Working in the Health, Adult and Child Care Sector - Level 1 and Level 2	This course will support you on your first experience of working within the health, adult care and childcare sectors.
Employability Skills - Entry 3 to Level 2	This course is aimed at anyone who wants to progress in education or employment. It covers a range of skills including personal finance, effective communication and applying for a job.
Multi-Trade Construction Skills - Entry 3 - Level 1	This course is the ideal introduction to the construction industry and covers the essential skills in bricklaying, carpentry and joinery, plastering, painting and decorating, construction, tiling and plumbing.
Customer Service - Level 2	If you are great with people, then customer service could be the career pathway for you. Customer service positions are available in a wide range of sectors.
Hairdressing and Barbering - Level 1 and Level 2	If you have a creative flair and a keen interest in hairdressing, then this course is for you. We have expert staff with industry experience to support you throughout your qualification.

Your Study Programme will be tailored to meet your needs and will include one of the above vocational qualifications plus a combination of qualifications which can include Essential Digital Skills, Employability Skills, Health and Safety and Maths and English (if needed). You will also be given the opportunity to complete a work placement/work experience whilst studying with us.

This is Your Future!
